

Health/Safety Notice

Friday, May 1, 2009

This notice is to provide the patrons of the Hallsville R-IV School District guidance in regards to the H1N1 virus (Swine Flu). We would like to state that at this time there has been one unconfirmed case in the State of Missouri, but none in the central Missouri area.

If you suspect any family members of having a fever (100° or above) combined with any of the below listed symptoms; please keep all family members home and contact your family physician.

- Cough
- Sore Throat
- Body Aches
- Headache
- Chills
- Excessive Fatigue

School Nurse Policy states:

Students must be fever free (99° or below) for a period of 24 hours or more before returning to school.

For additional information please visit the following websites:

- <http://www.gocolumbiamo.com/Health/index.php>
- http://www.dhss.mo.gov/BT_Response/SwineFlu09.html
- <http://www.cdc.gov/swineflu/guidance/>

If you have any other questions feel free to contact your school secretary or nurse.

We would also ask that you make sure your contact information is up-to-date with the school.
