Dear Parents,

It's been a wonderful 1st quarter of school and just around the corner we'll be at mid-2nd quarter. The fall has descended upon us quickly and before long, we'll be commenting on half the year gone by!

As part of a renewal to our academic goals, and commitments, our school recently voted on a new **Intermediate School Motto: "Let's Embrace All Learners...Celebrate All**

**Accomplishments."**

What does this mean for us? It helps remind all the adults working with our students that we have a variety of different learning styles that the students bring to us each day. They deserve our efforts in meeting their diverse needs. For students, it means embracing one **another's differences, in the classroom, on the bus, on the playground, no matter where our students are! Celebrating all Accomplishments means to do just that...celebrate our students' accomplishments in the classroom, in their extra curricular activities and in their social endeavors.**

As part of our kick off for this new motto, we are working on a design contest in art classes that will be presented along with the motto in a variety of places. One of those places is hopefully on a t-shirt that every student and adult in our building can have. If you or your business would like to help sponsor this t-shirt project to benefit every student in our school, please contact me in the office. Every little bit helps and to have every student in our school wearing a t-shirt that showcases our renewal to celebrate learning would be amazing.

As always, I appreciate the continued support of our parents and community.

Happy Fall to All!

*Let's embrace all learners and celebrate all accomplishments.*

As Intermediate students, parents & teachers, you are invited to submit a script (100 words or less) about what this motto means to you and how you celebrate learning. Winners will get a gift certificate to Barnes & Noble and will star in a podcast featuring their entry. Podcasts will be produced on Tuesday, November 15 and posted on the school website.

Thanks for all your efforts in letting the office know before 2:30 p.m. of any dismissal changes! It helps us to get the students to their correct destination without stressing the students!
