

February 25, 2008

Dear Parents of 2008-2009 Kindergarteners:

Hallsville Primary will offer summer school for children who are enrolled and will enter kindergarten in the fall of 2008. We would like to offer pre-kindergarten classes to give children the opportunity to “experience” kindergarten prior to starting school in the fall. The purpose of the summer school class will be to help the children get familiar with the school setting and to enhance basic readiness skills in reading and math.

We will offer two morning classes, from 8:00 until 11:00, and two afternoon classes, from 12:00 until 3:00, from June 2- June 13. We will offer one morning class, from 8:00 until 11:00, and afternoon class, from 12:00 until 3:00, from June 16- June 27. Enrollment in each of these sessions will be limited. Enrollments will be accepted on a first-come-first-serve basis. If you would like to enroll your child in one of the sessions, complete the attached enrollment form and mail or bring it to the primary school at 6401 E. Hwy 124, Hallsville, MO 65255. Office hours are from 7:30 a.m.-3:30 p.m.

If you have any questions, please call the school at 696-5512 ext. 602.

Sincerely,

Lucy Bell

Hallsville R-IV 2008 Summer School

This information is for students who are enrolled and will attend Kindergarten in the 2008-2009 school year.

For Summer School information on students of other age levels, handbooks with registration information will be available in mid-March. Please contact the appropriate building for details.

Purpose: The main purpose of the pre-kindergarten summer school program for students entering kindergarten in the fall of 2008 is to offer the opportunity to “experience” kindergarten prior to starting school. Summer school is free to all students.

Bus Transportation: Summer school provides transportation pick up (a.m.) and drop off (p.m.) services at central locations with limited routes compared to the regular school year services. There will be **no bus services at noon**. Parents will need to provide or arrange transportation to pick up their child(ren) at 11:00 if enrolled in a morning session or to drop off their child(ren) at 12:00 if enrolled in an afternoon session. Service points will be determined after summer school registration is complete. (See the Bus Transportation Request form on the next page.)

Discipline: All discipline policies outlined in the Student Code of Conduct will be enforced during summer school and all related activities. Inappropriate behaviors are unacceptable during summer school. If a student violates the Student Code of Conduct they will be sent to the office where their parent/guardian will be called and the situation discussed. A second violation of the Student Code of Conduct will result in the student’s suspension for the remainder of the summer term.
