What if I can't find Hallsville R-IV?
**Click on "<u>My schools isn't listed</u>" or "<u>Not your school?</u>".**

1 - It will take you to this screen, where you need to type in MORENET.
This is very important, if you type in Hallsville, you'll go to a school in Texas and won't be able to log in.
2 - Click "<u>This is my school</u>"

Select **Hallsville R-IV**. Hallsville is part of the MOREnet consortium. MOREnet is the name of our ebook library in Sora.

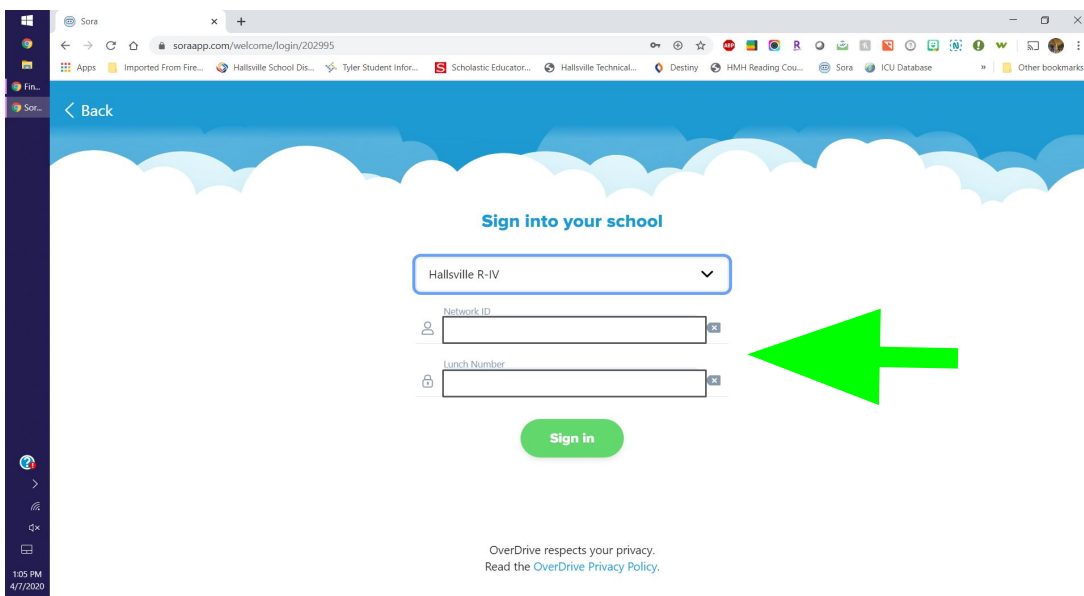

Then, you can sign in here.

# How to add Daniel Boone Regional Library to Sora

We are now able to access DBRL's huge ebook collection through our Sora page! You will log in to Sora as normal, but you must add DBRL to your libraries.

The next couple of slides will lead you through this process, step by step.

See Ms. Baker or Ms. Briedwell if you prefer to be instructed face to face.

# How to add Daniel Boone Regional Library to Sora

Step 2:
Click on Add a Library
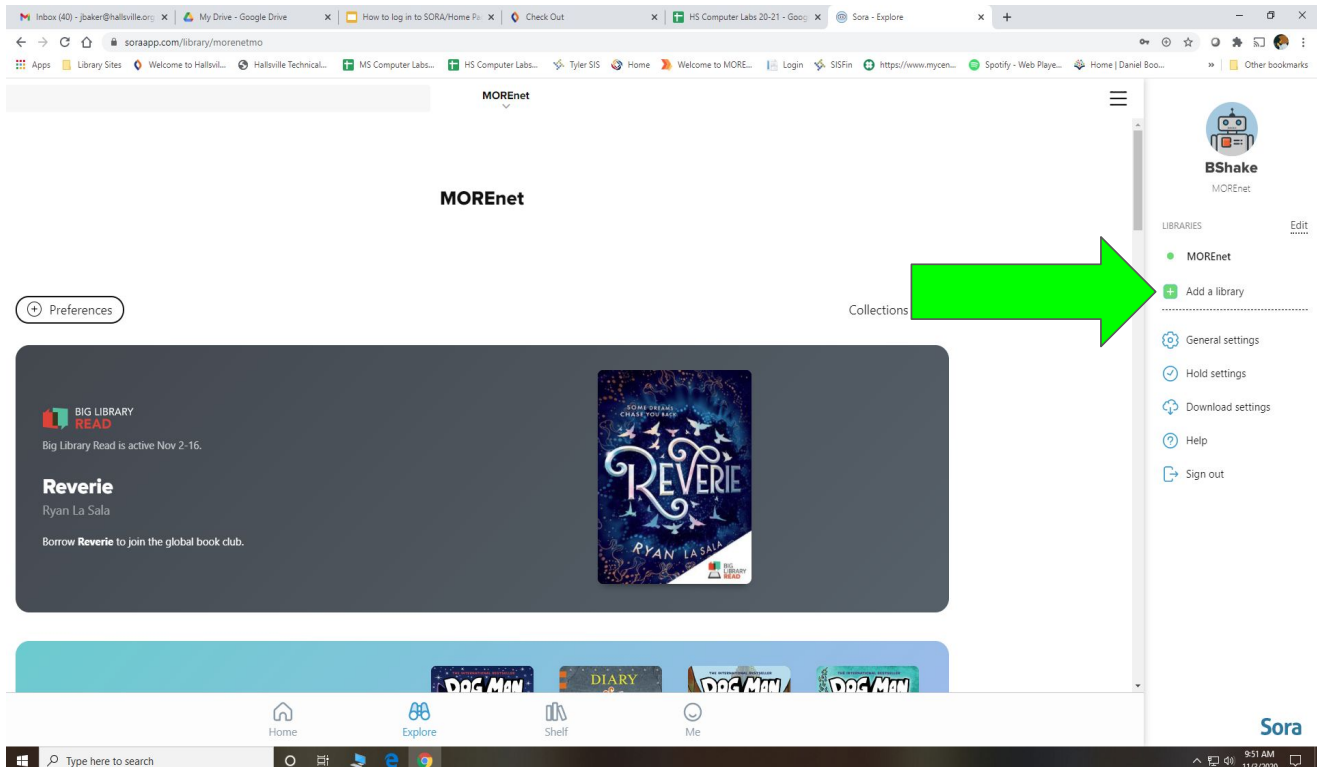

How to add Daniel Boone Regional Library to Sora

Step 3:
Type in Daniel Boone, or the zip code for DBRL, 65203.

Select Daniel Boone Regional Library.
